

Subject: Expression of Interest — Summer Internship Opportunity

Dear Internship Coordinator,

I hope you are doing well. I am Tanay Gupta, a first-year student pursuing B.Tech in Computer Science Engineering at VIT Bhopal. I am writing to express my interest in a summer internship opportunity at your company.

I have been following this company's work and am eager to contribute while gaining hands-on industry experience. Through my coursework and personal projects, I have developed foundational skills in Python, data analysis, web development and I am enthusiastic about applying them in a professional environment.

I have attached my resume for your reference. I would welcome the opportunity to speak with you further about any available internship positions.

Thank you for your time. I look forward to hearing from you.

Regards,

Tanay Gupta
